Introducing the **FlingGolf** revolution.

With **FlingGolf**, you're back on course, enjoying the action, speed, and excitement!

FlingGolf appeals to a younger athletic crowd. Kids love it. It's easy to learn. And even those who have left golf will be enticed to come back for the fun of FlingGolf.

The rules are simple. Players fling the golf ball along the course and putt with the face of the FlingStick.

FlingGolf is a dynamic new sport that can be played alongside golfers on existing courses. (Think snowboarding and skiing.) It's fun, inexpensive and easy to learn. Instead of hitting the ball with a club, a player flings a golf ball with a patent-pending FlingStick. A good fling can travel over 200 yards. And for an entire round, all players need to carry is one very light FlingStick.
